Title: Special Contact Points For Accessing Internal Circuitry Of An Inventor(s): Eldridge et al. Serial No.: 09/753,309

Title: Special Contact Points For Accessing Internal Circuitry Of An . . .

Inventor(s): Eldridge et al. Serial No.: 09/753,309

Title: Special Contact Points For Accessing Internal Circuitry Of An . .

Inventor(s): Eldridge et al. Serial No.: 09/753,309

Title: Special Contact Points For Accessing Internal Circuitry Of An . . . Inventor(s): Eldridge et al. Serial No.: 09/753,309

Title: Special Contact Points For Accessing Internal Circuitry Of An . Inventor(s): Eldridge et al. Serial No.: 09/753,309

Title: Special Contact Points For Accessing Internal Circuitry Of An . . . Inventor(s): Eldridge et al. Serial No.: 09/753,309

Title: Special Contact Points For Accessing Internal Circuitry Of An . . . Inventor(s): Eldridge et al. Serial No.: 09/753,309

Title: Special Contact Points For Accessing Internal Circuitry Of An . . Inventor(s): Eldridge et al. Serial No.: 09/753,309

FIG. 11

Title: Special Contact Points For Accessing Internal Circuitry Of Al.

Inventor(s): Eldridge et al. Serial No.: 09/753,309

Title: Special Contact Points For Accessing Internal Circuitry Of An

Inventor(s): Eldridge et al. Serial No.: 09/753,309

FIG. 16

Title: Special Contact Points For Accessing Internal Circuitry Of An Inventor(s): Eldridge et al.

Serial No.: 09/753,309

FIG. 19

Title: Special Contact Points For Accessing Internal Circuitry Of An . .

Inventor(s): Eldridge et al. Serial No.: 09/753,309

Title: Special Contact Points For Accessing Internal Circuitry Of An . . Inventor(s): Eldridge et al. Serial No.: 09/753,309

Inventor(s): Eldridge et al. Serial No.: 09/753,309

Title: Special Contact Points For Accessing Internal Circuitry Of An . Inventor(s): Eldridge et al. Serial No.: 09/753,309
